## MESSAGE FROM THE MAYOR

We have enjoyed some good rains across the District over the past month and haven't the crops responded! Hoping the rain continues and the frosts and finish is kind.

The EP Field Days were once again a very successful, worthwhile and enjoyable event for our District. The mammoth effort by the Field Days Committee, as well as our local businesses, sporting and community groups continues to impress me each Field Days.

Don't forget the Council Elections are fast approaching, this is an important election to ensure you have a say about what happens in your community. I'd like to take this opportunity to thank my fellow Elected Members and Council Staff for their hard work over the past 4 years, what has been achieved in this time has been exceptional for the District and I look forward to seeing what lies ahead - Onwards and Upwards!

I'm very much looking forward to attending the Cleve Harvest Music Fest on October 8. The event was a terrific success last year and we hope to build on this even further this year. Make sure you grab your tickets online!

Mayor Phil Cameron

With plenty of projects happening throughout the District, we thought an update was in order!

**Boarding House** - The Boarding House Facility is still in the Development Approval process. Thankyou to those who participated in the Community Consultation.

**Cleve Playspace** - The Cleve Playspace is on track to be completed mid October. It's coming along well and we know the community is excited for its completion!

**Cleve RV Park** - The Cleve RV Park is completed and looks fantastic. We welcomed plenty of visitors over the Field Days week and look forward to promoting the Park Australia wide.
