Community Land Management Plan

Plan No 2: Reserves & Parklands

Identification Details

- Council has identified land for community use and identified as parklands or reserves.
- The occupier/licensee of each area is specified in the Schedule (if applicable).
- Any trust, dedication or other restriction affecting the land is stated in the Schedule.

Purpose for which land is held

- The land identified in this management plan is either owned by the Council or is Crown land under the care, control and management of the Council.
- Undeveloped land is held for the preservation of native vegetation, grasses and shrubs, inviting habitats for native fauna and for community use and enjoyment.
- Developed land is held for public aerodrome use, community use and enjoyment for passive and active social, community, educational and/or flora and fauna preservation purposes.
- Cropping and controlled grazing of livestock to assist in controlling plant growth and minimise the fire risk to adjacent township, where there are no detrimental effects to the residents nor material adverse environmental impacts.

Reason why Management Plan is required

- Land identified under this management plan has been modified to include amenities and outdoor spaces for social, community, farming, educational and/or flora and fauna preservation purposes.
- To provide and maintain parklands and reserves that are safe, sustainable and useful, and to provide locations for community use and enjoyment.
- Provide for maintenance, renewal and upgrade of assets.
- Leases or licences may be granted where the permitted use is consistent with the objectives for this land.

Objectives for management of the land

- To provide public open spaces for community access and use.
- To provide sanctuary for native fauna and flora and preserve the natural heritage of the area.

- To support the use of the land to its maximum potential, including to provide a public aerodrome, community activities, farming, events and gatherings.

Policies and proposals for management of the land

- No regular maintenance for undeveloped parklands and reserves, apart from regular inspections to monitor the condition of the land.
- Regular inspections and maintenance of developed land and upkeep of watering systems (where applicable).
- To provide for maintenance, assets and equipment specifically designed for the permitted uses.
- To optimise the use of the land, including any facilities or improvements.
- To provide and maintain land that is safe, sustainable and useful.
- To enhance and maintain landscaping and public amenities for the public's use within the Council's financial capacity.
- The Council has in place a number of lease and licence agreements, with include obligations on the lessee/licensee to maintain the land and insure any facilities.
