

DCC NEWS

MONTHLY NEWS FROM THE DISTRICT COUNCIL OF CLEVE

MESSAGE FROM THE MAYOR

It is fantastic to see our community groups holding successful events in the district, especially over the last month.

It was great to see Tasting Arno return after last year's unfortunate cancellation due to covid, and the weather could not have been better. Also, well done to the Cleve Lil Gym

and all others involved in the trivia night fundraiser held at the Cleve Institute on the 4th of March. Word on the street is that this was one of the best trivia night fundraisers that Cleve has ever seen.

A massive congratulations is in order towards CH4 who, earlier this year, came in as a top 6 finalist out of 3400 global candidates in the Founders Games in Switzerland. This prestigious award recognises the most successful and impactful global founders of growth companies that are currently generating world-class social and environmental impact.

It is also exciting to see the mutually beneficial partnership that has formed between Clean Seas and CH4. The partnership could not be more perfect, boosting production but more importantly assisting with sustainable operations. Additional carbon is captured through the Asparagopsis seaweed being grown in the waste produced from the Yellowtail Kingfish farming. We are looking forward to welcoming the enviable economic benefits that both companies will bring to the district.

Mayor Phil Cameron

WASTE & RECYCLING

- Waste Collection - Arno Bay & Cleve
- Waste Collection - Darke Peak & Rudall
- Recycling - Arno Bay, Cleve, Darke Peak & Rudall
- Public Holidays
