ENTRY CONDITIONS

The registration of a Pageant Float is subject to the below general conditions:

1. All Floats must meet at the Cleve showgrounds in their entirety by 5.15pm.
2. The registering group, business or individual agrees to all special conditions which the Council may determine.
3. All vehicles driven in the Pageant must operate in a safe manner with no excessive noise.
4. Participants must not throw projectiles including, but not limited to, water balloons, water pistols or lollies.
5. The group, business or individual shall ensure that their float does not leave any litter along the parade route or at the showgrounds at the conclusion of event. Failure to do so may result in the charge of fees associated with the clean-up.
6. The order of floats in the parade will be allocated by Council or its delegate and the float order cannot be altered without the approval of the Council or its delegate.
7. This registration may be revoked by Council if the entry holder fails to comply with a condition of the approved registration and may be revoked in any other justifiable circumstance.
