## MESSAGE FROM THE MAYOR

A big thankyou to those who attended Council's Public Consultation Sessions at Darke Peak, Arno Bay and Cleve. The consultations were important in providing the community with details on the Draft 2022-23 Annual Business Plan and Annual Budget. The Plan and Budget were both well received with some important feedback and suggestions given from community members.

Council welcomed a new face to our Administration team this week. Charlotte Clarke commenced with us on Monday in the role of Information Officer. Charlotte has relocated with her family to Cleve and we couldn't be happier to have her onboard!

## MEDIA RELEASE - METHANE BUSTING SEAWEED

Cleve Mayor Phil Cameron is delighted to acknowledge the Australian Government will provide \$3.8 million to CH4 South Australia Pty Ltd and the University of South Australia, to develop stock feed from native seaweed that will be grown and harvested in Arno Bay.

Part of the federal government's Securing Raw Materials Program announced in the recent budget the native seaweed based feed can dramatically reduce dangerous methane production from farm animals. Methane that contributes to global warming.

'Australian research has shown replacing 3% of a cow's diet with a type of seaweed native to this region has resulted in up to an 80% decrease in methane emissions' Mayor Phil Cameron said.

'Council has a bold vision to champion and embrace new technologies that are of a global impact, projects that can create new industries, new local jobs and help mitigate global warning' Mayor Phil Cameron said

'This is a fantastic example of future, leading edge 21st century, green practices' Mayor Phil Cameron said.

'The District Council of Cleve has been working closely with CH4 for two years and elected members and staff are so excited to hear of this recent \$3.8m funding success that will establish a critical seaweed production centre at Arno Bay' Cleve Mayor Phil Cameron said.

## COUNCIL ELECTIONS 2022

ENROL NOMINATE VOTE

Consider for a moment how everyday life is improved by the many services that councils provide. Imagine your community without street lighting, rubbish collection, footpaths, libraries, playgrounds and sports club facilities, community halls, seniors' services - and the list goes on.

Decisions about these services, programs and infrastructure are made by an elected group of councillors.

Becoming a councillor presents the opportunity to influence local directions and create long term, positive outcomes within your community and for fellow residents.

The role of councillor is both rewarding and challenging. It requires commitment, responsibility and accountability.

There are two forms of elections held to elect council members:

- Supplementary elections - which are held when a position becomes vacant.
- Periodic elections - which are held on a regular four-year cycle, the most recent of which took place in 2018 with the next taking place this November. Key dates are noted below.

For more information on how to nominate visit [www.lga.sa.gov.au/council-elections/nominate](http://www.lga.sa.gov.au/council-elections/nominate)

### CLOSE OF ELECTORAL ROLL

5:00 pm, Friday 29 July 2022

### NOMINATIONS OPEN

Tuesday 23 August 2022

### NOMINATIONS CLOSE

12 noon, Tuesday 6 September 2022

### MAILOUT OF BALLOT MATERIAL TO ELECTORS

between Friday 14 October and Thursday 20 October 2022

### CLOSE OF VOTING (POLLING DAY)

5:00 pm, Thursday 10 November 2022

### SCRUTINY AND COUNT

9:00 am, Saturday 12 November 2022

You can influence what happens in your local community in two ways:

- by nominating for a position on council.
- or by voting for a candidate who represents your views.

To ensure you have the opportunity to vote, you must be enrolled on either the State Election Roll, or your council's supplementary roll. Find out more here [www.check.aec.gov.au](http://www.check.aec.gov.au)

## ROAD CLOSURES

The following roads remain closed due to the storm damage. With only three remaining, all access is almost restored!

- Kaden Road
