MESSAGE FROM THE MAYOR

I'd like to wish everyone a very happy New Year, it's shaping up to be an exciting 2022 for Council and the District, with some fantastic projects off the ground. I look forward to seeing the District benefit greatly from all of the new and exciting Projects.

Unfortunately due to the increased uncertainty and concern relating to the current Covid-19 situation on the Eyre Peninsula there have been many fantastic local events which have either been cancelled or modified. We look forward to having these events return to our Community at full capacity, however for now we need to keep well, abide by restrictions and look after each other.

All the best for 2022 - *Onwards and Upwards!*

Phil Cameron - Mayor

WELCOME TO DAVID AND HOLLY

We recently welcomed David Penfold (Chief Executive Officer) and Holly Cowan (Economic Development Officer) to our Council team.

David's passion and experience in economic development will be influential in leading us through the exciting changes ahead for our District. These changes will see the development of key projects and initiatives that aim to grow our district, improve our amenities, create jobs and ultimately attract people to live in the Cleve District as workers and families.

Holly comes to us from The Wakefield Regional Council with impressive knowledge in the fields of economic and community development. Holly's experience will be invaluable to both the Council and community as she builds on Council's exciting Economic Development Framework.

FAMILY DAYCARE OPPORTUNITIES

ARE YOU INTERESTED IN BECOMING A FAMILY DAY CARE EDUCATOR?

Are you wanting to play a part in shaping children's futures from the comfort of your own home?

The need for Child Care in Cleve is becoming urgent and Council would like to hear from anyone who has a genuine interest in this area.

If you would like more information on Family Day Care and how Council may be able to support you, please register your interest with Ange Harris at angela.harris@cleve.sa.gov.au or phone 8628 2004 or 0429 207 026.

LOCAL FLOODING

Some areas within our district reported up to 200mm with the Cleve township reporting 64mm on Saturday 22 January, the wettest day since 2001. Extensive flooding occurred as a result, with up to 50mm in one shower following on Sunday, causing even further harm to the already damaged roads.

Our Council crews are currently working hard to assess the damage to assets and infrastructure in the district.

Council has touched base with the State and Local Government Authorities in Adelaide to discuss the mobilisation of the local government sector on Eyre Peninsula to deal with this weather event.

We are aware people have experienced major damage to their properties. State Government is requesting information from the farming community relating to any significant damage to their properties as a result of the flooding. Please email Council with images and details of the damage to council@cleve.sa.gov.au.

Phil Cameron - Mayor

MAJOR PROJECTS UPDATE

The Cleve RV Park, Cleve Play Space and Arno Bay Walking Trail are all at various stages of development, remember you can pop into the Council Office at anytime to view the project plans.

CLEVE RV PARK

The Cleve RV Park is looking impressive with the new lawn and cement bordering. The Camp Kitchen is underway and should be up for visitors to enjoy soon.

We are enjoying developing a welcoming area for our visitors to stay and explore our District.

CLEVE PLAY SPACE

The Cleve Play Space development is underway! Site preparation is now complete and the pump track contractors will be hard at work soon.

Other exciting elements of the Cleve Play Space to follow soon.

ARNO BAY WALKING TRAIL

Installation of the Walking Trail is due to commence mid February.

SCHOOL COMMUNITY LIBRARY
