## Community Land Management Plan

### Plan No 1: Sport, Leisure & Recreational Facilities

---

#### Identification Details

- Council has identified land for community use, including, social, sporting, leisure and recreation areas as listed in the Schedule.
- The occupier/licensee of each area is specified in the Schedule (if applicable).
- Any trust, dedication or other restriction affecting the land is stated in the Schedule.
- Land identified under this management plan has been modified to include amenities and outdoor spaces for passive and active sporting, leisure & recreation pursuits.

#### Purpose for which land is held

- The land identified in this management plan is either owned by the Council, or Crown land under the care, control and management of the Council.
- Provide for maintenance, renewal and upgrade of assets and improvements.
- The land identified in the Schedule is used for the recreation, wellbeing and environmental needs of the community, including to provide sporting and other clubs with areas to carry out sporting, leisure and recreational pursuits.

#### Reason why Management Plan is required

- To provide locations for community use for both passive and active sporting, leisure and recreational pursuits, including to provide visually aesthetic areas for community use.
- To provide and maintain facilities that are safe, sustainable and useful, and to provide locations for community use and equipment.
- Leases or licences may be granted where the permitted use is consistent with the objectives for this land.

#### Objectives for management of the land

- To provide public open spaces for community access and use.
- To provide public sporting, leisure and/or recreation facilities to the community.
- To provide playgrounds and playspaces, and related community infrastructure
- To support the use of the land for community activities, events and gatherings.

#### Policies and proposals for management of the land

- To create interesting and challenging sporting and recreational opportunities and cater for development requirements of sport/recreational users.

- To provide for maintenance, assets and equipment specifically designed for the permitted uses, including, community, social and sporting development and participation in both junior and senior groups.
- To optimise the use of facilities and grounds, including multi-use of the land.
- Where licensed facilities exist, to provide for recreation and sport-related social functions, as well as other general community uses.
- To provide and maintain land that is safe, sustainable and useful.
- To enhance and maintain landscaping and public amenities for the public's use within the Council's financial capacity.
- The Council has in place a number of lease and licence agreements, with include obligations on the lessee/licensee to maintain the land and insure the facilities.
- The Council carries out regular inspections and maintenance of the land and upkeep of ovals and watering systems.

### **Performance targets and measures**

Appropriately managed open space that facilitates optimal shared use by the community.	<p>Leases and licences granted where considered appropriate and in accordance with applicable legislation and Council policy.</p> <p>Structured inspection and maintenance program established.</p> <p>Permission granted by Council as deemed appropriate, to support community use.</p> <p>Public consultation undertaken where required by legislation or Council policy.</p>
