Turnbull Park  
January 1 2023  
10:30am

## MESSAGE FROM THE MAYOR

As we roll towards the end of the year, Council can look back on 2022 and feel extremely proud.

With some major projects completed and others well on their way, this year has been crucial in building the District's capacity to attract visitors, permanent residents and investors.

The RV park has increased the number of visitors touring and staying in the region, with further camping sites at Yeldulknie Weir and Redbanks set for completion in 2023.

The Arno Bay Walking Trail is an exceptional walk and if you haven't been for a stroll, it really is time that you did!

We will welcome back the return of the Guitar Festival and the Harvest Music Fest next year and hope to build on the success of the 2022 event.

Council is looking forward to the Arno Bay Materplan in the New Year and the exciting growth and development this will mean for Arno Bay.

We are also excited for the growth of CH4 Seaweed and Cleanseas, this is an exciting partnership for the District and one which we are grateful and thrilled to be a part of.

We also look forward to the progression of the Photon solar farm and the Renascor graphite mine in the New Year.

We were extremely happy to secure \$2.2m in Federal Funding for the Cleve Boarding House and are excited to commit to construction in the New Year. We look forward to building on our relationship with Sims Farm, Cleve Area School and the MTA and welcoming students to the Boarding House in time for the 2024 school year.

I feel extremely proud and thankful to have been reelected as Mayor and I look forward to working alongside our newly elected Council and continuing the momentum which has certainly been building.

With some bumper harvests and record yields about this year we hope farmers can have a smooth run into the end of harvest and that you all have a wonderful Christmas and a happy and safe New Year.

Mayor Phil Cameron

## ARNO BAY DRY ZONE

Please take note that a dry zone area will be in place on New Year's Eve for the Arno Bay Foreshore (as detailed in the map below) from 11:00pm on 31 December 2022 to 8:00am on 1 January 2023 in an effort to minimise possible anti-social behaviour.
