### MESSAGE FROM THE MAYOR

The District has never looked fresher as we wrap up the second year of Council's Commercial Shopfront Renewal Grant program. Council granted a total of \$14,667 to local businesses who operate within the town centre towards upgrading their facades. Well done to the following businesses who participated in the program:

- Arno Bay Post Office
- Cleve Boutique Accommodation
- Cleve Newsagency
- Danielle's Hairdressing
- Elders Rural Services
- Rudall Motors
- The Business Hub Cleve

Being a small business owner can be challenging and Council understands the benefit our local businesses bring to our District and will continue to think of other ways in which we can offer our support.

Furthermore, Council has not forgotten about our larger group of business operators, our farmers. Council understands the value agricultural farming brings to our district's economy and has recently created a plan to investigate better drought relief practices, assisting in the future vitality of farming in the region. And with all this being said, Cleve has once again been nominated for the Agricultural Town of the Year Award.

The Agricultural Town of the Year Award recognises South Australian towns that are excelling in agricultural practices and the flow on effect they have on communities. This award, proudly presented by the Government of South Australia and Solstice Media, highlights the vital role that agriculture plays in the regional landscape - being the backbone of most regional communities.

Thank you,  
Mayor Phil Cameron
