

## KERBSIDE REFUSE COLLECTION SERVICE

I require the collection of \_\_\_\_\_ bins, from my property at:

\_\_\_\_\_  
*(Property Address)*

Business Name (if applicable):

\_\_\_\_\_  
*(Business Name)*

**\*\*PLEASE NOTE:** If your property has dual access, please nominate the road frontage that you require your bin(s) collected from:

\_\_\_\_\_  
*(Signature)*

\_\_\_\_\_  
*(Date)*

For those wishing to take advantage of the kerbside refuse collection service, you will need to provide a wheelie bin(s). Cleve Hardware have wheelie bins for sale. The 240litre recycling yellow topped wheelie bin will be provided and remains at the property as it is owned by the District Council of Cleve.

If you already have a wheelie bin, Council can record the serial number of your bin or bins against your property records. This allows Council to reunite property owners with bins that have blown away or been moved by “some other” means. If you wish to have this information recorded please advise serial numbers below.
